Blue Fountain catalogue is also including overseas products, which will usually take 2-3 months to source. For easy selection, we have designated the following stock status legends:

Prices in this catalogue will normally be held until the 31st of December 2021.
Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases of imported products, raw materials, or currency fluctuations. We carefully check pricing and product specifications, but occasionally errors can occur, therefore we reserve the right to change both without notice.

If you need further information, our sales team is happy to assist you in any way. We will answer any inquiry within two working days.

AE FOIL

Extremely soft and pliable, these colorful foil sheets can be used to accent hundreds of your favorite craft projects.
Available in 100% pure copper, aluminum, colored aluminum, and Pewter. ArtEmboss can be used to decorate virtually any object or room in your home.
A special manufacturing process makes ArtEmboss extremely soft and pliable. A fine point stylus is all that is needed to trace a pattern into the metal.
There are two weights of ArtEmboss metal sheets: light and medium. Light sheets are perfect for intricate detail patterns and decoration of lightweight objects such as greeting cards and gift tags. The medium weight sheets work well on photo albums, picture frames, gift boxes, as well as for a variety of fine art projects. A separate 3-piece stylus tool set is also available. Pewter, Copper, Aluminum and Black sheets also include a FREE borders tracing sheet and wooden stylus.

Loop It! Safari Puppets Beginner Craft Kit

It's easy to create friendly puppet pals with the Loop It! craft kit, designed for beginning crafters. Just line up the front and back felt panels, tuck loops through the holes, and loop it! Button on tails, and put on a puppet show. The set includes four felt panels to make two safari puppets (lion and monkey), two felt tails to button on, and 40 stretchy loops to tuck and pull to connect the panels. Perfect for preschoolers (ages three and older), these craft kits are a fun and easy introduction to crafting. Easy-to-master crafts keep little makers engaged, build confidence and self esteem, and help boost important motor and developmental skills.

Terms and Conditions

The following terms and conditions apply to all transactions with Blue Fountain Inc. and all of its subsidiaries and affiliates (“Blue Fountain”).

Please contact our Customer Service team (“Team”), if you have questions about any provisions outlined below:

1. Availability of Products
All products offered in Blue Fountain catalogues or other media are subject to availability of the products at the time of order.

2. Title to Products
Ownership of all products only pass to the customer upon full payment of the appropriate invoice.

3. Prices
Our prices are in RMB, and this is the door-to-door price, including all shipping, handling, tax, VAT charges if the order is over 1000RMB. Prices in this catalogue will normally be held until 31st December 2021, but we reserve the right to alter prices if circumstances force us to. Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases of imported products, raw materials, or currency fluctuations.

4. Deposit and Payment
Schools operating inside Mainland China will be invoiced in RMB. Unless special credit terms are agreed, full payment of the invoice value must be made for all orders before goods are dispatched.

5. Shipping, Packing and Handling
Within Beijing and Shanghai, shipping is free for standard delivery. Besides the above-mentioned instance, the cost of shipping will be billed as an additional line item in the invoice based on a final determination of shipment weight, volume and method of transport. A rough estimate will be provided at the time of order confirmation as a percentage of the cost of the order, using the best available information.

6. Order Fulfillment and Delivery
The products may be delivered at one time or on several occasions. Blue Fountain may provide the customer with the estimated delivery date before confirmation of their order. However, the estimated delivery date shall have a six-week grace period. If the customer does not receive an expected delivery, they shall notify Blue Fountain within 10 days after the expiry of the grace period. If a product from Blue Fountain’s own catalogues is out of stock or back ordered to the extent that it will cause significant delays in delivery, Blue Fountain will advise the customer of the situation. The customer may have the in-stock portion of the order delivered, and wait for the out-of-stock delivery at a later time; or wait and have it all shipped together. In addition, the customer has the option to replace it with another product, wait until the product comes into stock or, cancel that part of the order and receive full credit within 7 days after receiving the notice from Blue Fountain.

7. Inspection and Return
The customer shall check the product received at the time of delivery in accordance with the “Blue Fountain Delivery Recommendations” and report any problems with the shipper or carrier of the product and the team within five days of receipt. No return of products can be made without prior authorization of Blue Fountain. Refused shipments may be charged freight in both directions.

8. Product Descriptions
Blue Fountain makes every effort to ensure that each product description, photograph and listed price in our catalogues is accurate. Blue Fountain will issue a full credit for the product if:
(i) the product does not match the product pictured or described in our catalogues and is returned within 10 days in its original condition;
(ii) the original product has been substantially substituted before its dispatch and the substituted product is unacceptable to the customer.

9. Labeling on Products
Blue Fountain makes every effort to ensure that all instruction labels and manuals of the products are in English, or that there is an English version attached. Some of the products may be associated with risk depending on user age such as choking and/or other such hazards. At the suppliers discretion there may be caution labels on the package or there may not be. Therefore we strongly suggest the children’s supervisors to consider carefully whether the products ordered are appropriate and safe for their children’s age.

10. Wrongly Ordered Products
If products are genuinely ordered in error, Blue Fountain will work to find a resolution with the customer. If a return of products is agreed, Blue Fountain may levy a charge for repacking and shipping.

11. No Warranty Unless Specified
Unless expressly stated in products or their packing materials, products ordered from Blue Fountain are offered on an “as-is” basis and are not guaranteed against damage due to wear and tear. However, if you find that a product is defective in any material respect, please notify our Team immediately to discuss a resolution. For products that do come with a warranty of manufacturer, please refer to the warranty information provided with that product. For products supplied through our Partner Network, Blue Fountain will make every effort to resolve warranty claims with the original supplier.

12. Cancellations
Order cancellations in whole or in part can only be made prior to confirmation of the order by Blue Fountain. Cancellations made after that time will be subject to forfeiture of the deposit, except for cancellation based on the provisions of Article 6.

13. Event of Default
The occurrence of any of the following shall constitute an “Event of Default”:
(i) the customer fails to perform any other provision of this Terms and Conditions or breaches any provision of this Terms and Conditions (ii) the customer is not able to pay the payment fully; or (iii) in the event of insolvency of the customer. Blue Fountain may, at its sole option, terminate the order, resell the products or cancel the shipment or the products in delivery. The customer shall indemnify Blue Fountain all the direct or indirect damage and losses arising out of the Event of Default.

14. Force Majeure
Blue Fountain shall not be responsible for delays in delivery or performance because of intervention of a Force Majeure, which shall include: strikes, lockouts, riots, war, government regulations, fire, explosion, Acts of God, acts of the overseas supplier, delays in transportation, or inability due to causes beyond Blue Fountain’s reasonable control. In the event of any such delay, the delivery date shall be extended for a period equal to the time lost by reason of the delay.

15. Applicable Law
Terms and Conditions shall be governed by the laws and regulations of the People’s Republic of China.

16. Settlement of Dispute
If any dispute arises out of the interpretation or performance of this Agreement, Blue Fountain and the customer shall first settle such dispute through friendly negotiations. If such dispute fails to be settled through negotiations, such dispute shall be submitted, either by Blue Fountain or by the customer, to the China International Economic and Trade Arbitration Commission for arbitration in Shanghai according to its then applicable arbitration rules. The arbitration award shall be final and binding upon both Blue Fountain and the customer.
