BLUEFOUNTAIN.CN

Dear Educators,

We are pleased to introduce our brand-new catalog. We know how time-consuming and tedious the buying process can be, so more than ever, we want to become this one-stop shop for you.

In order to achieve this goal, our team has been working on developing and maintaining the relationship with our suppliers, to guarantee the quality and safety of our products and to always offer a wide variety of resources.

In addition, shipping time and product availability have always been important factors to our customers, especially given the challenges that the shipping industry is facing. For that reason, this time again, we have decided to increase our stocking capacity for immediate availability and ensure our door-to-door prices.

Year after year, we at Blue Fountain, put you at the center of our action and the best way for us to meet your expectations is to make certain we offer the best services and greatest educational resources.

Sincerely,

Frank Cai

President - Blue Fountain Inc.

Blue Fountain catalog is also including overseas products, which will usually take 2-3 months to arrive. For an easy selection, we have designated the following stock status legends:

In Stock | Limited Stock | Stock in China | Overseas Stock

Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases of imported products, raw materials, or currency fluctuations. We carefully check pricing and product specifications, but occasionally errors can occur, therefore we reserve the right to change both without notice.
For the most updated prices and product descriptions, please check our website, bluefountain.cn.

If you need further information, our sales team is happy to assist you in any way. We will answer any inquiry within two working days.

Build a complete Hape Railway from the ground up complete with bridges, curves and station! We provide the pieces and you provide the imagination! When you"re finished designing and building, take the bullet train on a test drive around your railroad.

C12344 RMB 658

華森威 Wisdom Stock in China

Urban Rail Series

Material: Beech, plastic, cardboard.
Size: The size after its building is about 80×50cm. It contains 110 components such as straight track, curved track, special-shaped track, isolation belt, hut, street lamp, doll, car, puzzle, and 1 product manual. The use of train and highway double tracks and brackets can build a city's traffic track and construct a strange city route. When children are playing, it can help them to understand the usage of transportation tools and rails, develop spatial thinking, and exercise logical thinking skills.

Ht Kitchen

Compact kitchen centre, fully equipped and with sufficient possibilities for storing kitchen utensils. The kitchen centre has all the features of a 'real' kitchen, such as an induction hob, a tap, a sink, an oven, storage space and cooking utensils. When turned, the knobs for the induction hob make sounds, which makes it even more interesting for the young users.

Hang the cooking utensils on the hooks so that while cooking, the children can easily and quickly take what they need. Through the window, the cook can see the guests and serve the delicious dishes. The top part of the kitchen has a sliding door, allowing the children to decide for themselves what they want to show and what not. The oven is equipped with a wide handle, allowing a dishcloth or towel to be hung on it. Furthermore, the kitchen is equipped with a drawer and a cupboard for storage.
The wheels make it easy to move the kitchen centre and to place it anywhere.

Contents:
Unassembled kitchen centre made of birch plywood and beechwood
4 wooden kitchen utensils: a stirring spoon, a spatula, a (meat) fork and a knife

Perfect for sand play, our kit includes 24 plastic dino skeletons that are great for hiding in sand...plus 4 sturdy sieves and brushes to scoop, sift and dust off each dinosaur--and make exciting discoveries again and again! 24 dinosaurs come in 12 different species; sieves are 10 1/4".

S90224 RMB 321

Easi-Detectors

Get busy exploring with this super new set of rechargable metal detectors in 4 bright colours.
Investigate what lies beneath the soil, sand, paper etc.
Will it be gold, silver, bronze or other metal? These innovative detectors are simple to use; sweep them over objects and areas and hear the beep as they detect the metal.

Great for outdoor exploration and learning about different materials. Learn about materials and their properties differentiating from one another. Great for exploration or discovering where the pirates stashed their hoard!

- Locate metal objects with ease
- Use indoors and out - take on investigative outdoor walks
- Super for science and exciting ICT
- Support learning through play

No need for batteries as there's a hub to charge them. Battery life approx 8 hours in normal use. Fully charged in approx 3 hours. Detectors use little charge if left on when not detecting metal. There's even and LED to indicate charge status.

Detection range approx 40mm for 25mm diameter coin. Metal detector 20 x 8 cm.
Unsuitable for under 3yrs unless under adult supervision.

Den Frame

Originally sold as the framework for our award winning Dark Den, we saw so many of you using this frame to make your own dens with fabrics and pegs that we made it available on its own

The 12 poles and eight connectors pack into their own carry bag for easy use in pack-away settings such as Toddler Groups or Creche facilities or for those who need to take their resources with them - especially good for portage schemes or travelling story tellers. Packing flat, this lightweight kit is rugged enough for children to create their own dens and design their own spaces.

Ideal for creating spaces that are communication friendly, this simple addition to your Early Years resources provides a winning combination of durability and value for money. Perhaps you could use animal skins to create a jungle hideaway or grey material to fashion a cave. What about using a parachute for a Rainbow den or creating your own secret forest den using foliage, camouflage nets and hessian?

Dimensions approx: 1m3 when assembled, for ages 3yrs+.

C55919 RMB 1217

Tricycle-Small

The classic tricycle in a brand new design. Every child loves the freedom to get around on this trike. It is easy to move forward, trains the muscles and develops motor skills. 8.2 kg.

C46601 RMB 2183

Tricycle, Medium

A very popular, robust tricycle suitable for most children. A tricycle is a must on every playground. It stimulates the play of children and develops children's motor skills. 10.1 kg.

C14133 RMB 2416

Tricycle, Large

This tricycle is designed with a large front wheel enabling children up to 8 years of age to have fun on the playground. The keen children will love to drive around on this trike. 11.5 kg

C36775 RMB 2609

EasyRider L83×W51×H57 CM, Seat H19 CM

This is a cool vehicle! Who will be the first on the playground to capture this great trike? You can easily imagine driving a Harley-Davidson or a Formula 1 racing car. 12.0 kg.

C29728 RMB 2860

Bicycle L81×W45×H60 CM, Seat H34 CM

When riding this bicycle the children have reached the ultimate freedom to explore the world. They can easily get around and use their motor skills like an adult.

C10767 RMB 2292

Taxi L110×W63×H60 CM, Seat H35 CM

A taxi is lots of fun and provides many great play ideas. The children love the role-playing games bringing extra features and imagination into their games with their friends. 13.4 kg.

C31177 RMB 3691

CircleBike Seat H34 CM

Funny carousel that challenges the children's ablility to coordinate, as the wheels can take them in any direction. The children could e.g. be set on a task by their teacher to "hit" a certain point on the ground. - Or they could simply imagine they drift off to their own favourite spot. The vehicle provides for numerous plays of social character, as the children can chat and interact in many ways, while being seated face to face.

C18565 RMB 2422

Wheelbarrow L81×W38×H30 CM

A wheelbarrow with two wheels so even small children can balance it. Reinforced frame and supporting feet for greater durability. Provides many opportunities for fun games.

C86654 RMB 1474

Twin Taxi L105×W71×H63.5 CM, Seat H35 CM

A taxi for three children that opens up for many social games and role playing activities. The child may take his best friends for a ride, acting as a driver, while his friends are chatting in the back. Cool and sturdy design!

C10307 RMB 5150

Scooter L101×W45×H76 CM

The scooter challenges the children's sense of coordination and balance. After driving on a tricycle it is a new world to scoot around on 2 wheels! Lots of fun for everyone.

C61749 RMB 2095

Police L101×W59×H61 CM, Seat H34CM

All bad guys better watch out. The police are here. This cool, black trike has room for two little officers of the law and is a natural centre for social activities on the playground. It sports excellent play value and also strengthens child motor abilities and reflexes.

C53327 RMB 4684

Fire Truck L101×W59×H61 CM, Seat H34 CM

The sandbox is on fire again but help is just around the corner. This fun, red fire trike for two is ideally suited for role-playing on the playground. It strengthens the development of social skills and stimulates imagination, motor abilities, and reflexes.

C49016 RMB 4684

Ambulance L101×W59×H61 CM, Seat H34 CM

Call the ambulance! There is a pretend sick little boy in the playground – he has a bad tummy ache. Luckily, two medics are on the scene in no time on this exciting ambulance trike. It is fast; it is fun, and helps develop both social and motor skills.

C64142 RMB 4684

School Bus L101×W59×H61 CM, Seat H34 CM

It is time for school! The driver will arrive to pick you up in a minut. This fun vehicle is excellent for role playing with the classical scene of a driver picking up his passengeres. Likewise model 562, 563 and 564 it strengthens both social and motor skills.

C98562 RMB 4684

Whizzy Dizzy

Promoting healthy activity indoors and out, Whizzy Dizzy can be used to improve a child's hand-eye coordination and to help develop gross motor skills.

The sturdy plastic base houses a swivelling sitting platform which rotates as children pull on the circular central wheel.

Children will be recruiting core muscles as they discover how to coordinate their hands and arms in order to manoeuvre themselves around the central post, providing a sense of achievement and fun as they make themselves go around faster. However they are always in control of their speed as the Whizzy Dizzy will only spin as fast as they are pulling on the wheel.

Hardwood Unit Blocks - Starter Set

Our hardwood blocks are so durable, they're backed by a 50-year guarantee! Each block is made of solid hardrock maple, kiln-dried, sanded and beveled for perfect building balance—ensuring that they're the highest quality you can buy! They're guaranteed classroom-tough and will stand up to year after year of rough play. And if any block breaks or splinters within 50 years of the date of purchase, we will replace it at no charge! Plus, as children design and build, they practice problem solving, develop perception skills and explore basic math and science. Each block is precisely related in size to the basic unit block (5 1/2"l x 2 3/4"w x 1 3/8"h) for a comfortable series of relationships that makes it easy to create and learn. Set includes 108 blocks in 14 shapes. Accessories sold separately.

Small World Fairy Village Construction Set

Use this great value set to create a magical world for fairies and elves whilst stimulating conversation and collaboration. This set will delight and engage, inspiring language and creativity. Contents may vary. Not to be left outdoors.
Build houses, tables and chairs with the included wooden roofs and the wooden pieces. There are seed pods for making chairs or whatever your imagination wishes. Make the sticks into a fence or build a woodland fire to cook the elves' tea. This great value set is wonderful as a construction task but it is so much more. Imaginations really can soar as the children use the open-ended materials to create their own mini locations. The children may choose to add stones, leaves etc to enhance the drama. It can be used on grocer's grass, a builder's tray or table top but really comes alive when used outdoors on a grassy patch.Product Content:
4 x wooden fairies
6 x wooden elves
3 x roofs (largest size: 17cm)
5 x mushrooms
2 x seed pods
8 x wooden discs
1 x bag of moss
1 x pack of sticks
1 x woven basket
Various sizes of wooden blocks

Heuristic Play Wooden Starter Pack

Heuristic play is a wonderful opportunity to capitalise on toddlers' curiosity about the objects that make up the world around them. The resources which make up this set are not be the kinds of objects traditionally thought of as toys for young children but they provide equally valuable opportunities for extending children's learning. There is no right and wrong way to play with Heuristic resources so everyone's ideas are equally valid and worthwhile. The open ended nature of the resources means that all toddlers can explore and investigate in their own way, applying their own creative ideas and building on their own experiences.

This large set of 63 wooden pieces includes the following resources and a large drawstring bag to hold the components when not in use.

Contents: 10 x 70mm rings, 10 x 48mm rings, 6 x 40mm cubes, 10 x 63mm egg cups, 10 x 35mm spools, 10 x 50mm balls, 3 x 70mm bowls, 3 x 92mm bowls, 1 x 320mm ring holder, a cotton bag and activity guide in 7 languages

Tip Over

What do you get when you combine a sequential movement puzzle and a spatial orientation puzzle? TipOver! It's an addictively fun and equally challenging game where you tip over crates to move the red Tipper Man to the red crate. The challenge might sound easy, but the solution requires imagination and logic skills. Everyone is falling in love with this one-of-a-kind tipping game!

C43025 RMB 211

Rush Hour

It will take more than a little skilled driving to get the red car out of this traffic jam – it will take brainpower. In Rush Hour, a sliding block logic game, you have to battle the gridlock as you slide the blocking vehicles out of the way for the red car to exit. With 40 all-new challenges, ranging in difficulty, players can progress at their own speed. As one of the best logic games of all time, Rush Hour is a must for every household.

C80006 RMB 192

Rush Hour Junior

Traffic Jam Logic Game
Just like the classic Rush Hour logic game, you shift blocking cars and trucks out of your way to clear a path to the exit. The 40 leveled brainteaser challenges are a fun way to build problem-solving skills. Rush Hour Jr. is an ideal logic game for younger ages but still plenty of fun for an adult brain!

Clue Master

Clue Master is a fun logic game that develops the skill of deductive reasoning, a key ability in math, science, computer programming, and many other fields. In this game, you may deduce information based on what must be true even though you can't see it directly. The more you play, the more deductive tricks and strategies you'll learn as you reason logically from the clues you're given!

Stratos Spheres

2-Player Strategy Game
Take four-in-a-row to a whole new dimension with Stratos Spheres! Stratos Spheres loses the 2-D board and lets you build the game – and your logic skills – as you go. To start, add one of your colored spheres to the white neutral sphere and pass it to your opponent. Your opponent then adds a sphere of his/her color. This 2-player game goes back and forth until one player gets four of his/her spheres in a row – in any dimension. With its 3-D construction, Stratos Spheres takes a classic play pattern and adds a dynamic new level of strategy and fun!

•Mobile

N26995 RMB 3024

Space-Saver Mobile Art Center

Make the most of your classroom space—with a mobile, double-sided easel that has a drying rack built right in! Kids just clip on paper—like our Newsprint Easel Paper—to draw and paint on the roomy write & wipe surfaces. When they're done creating, kids can slide their artwork right onto the drying rack below—so their artwork dries flat and safely out of the way. The drying rack features 6 roomy shelves…and the easel has 4 locking casters, so you can roll it anywhere—and lock it into place! Center includes 4 easel clips and 2 plastic trays to store supplies. Simple assembly.

N81014 RMB 3902

Lakeshore Double-Space Mobile Drying Rack

Our giant rack has twice the drying space between each shelf, so it's perfect for oversized artwork and 3-D collages! Mobile metal rack has 15 reinforced shelves that are 2" apart—allowing artwork to dry flat without sagging.

AE FOIL

Extremely soft and pliable, these colorful foil sheets can be used to accent hundreds of your favorite craft projects. Available in 100% pure copper, aluminum, colored aluminum, and Pewter. ArtEmboss can be used to decorate virtually any object or room in your home. A special manufacturing process makes ArtEmboss extremely soft and pliable. A fine point stylus is all that is needed to trace a pattern into the metal. There are two weights of ArtEmboss metal sheets: light and medium. Light sheets are perfect for intricate detail patterns and decoration of lightweight objects such as greeting cards and gift tags. The medium weight sheets work well on photo albums, picture frames, gift boxes, as well as for a variety of fine art projects. A separate 3-piece stylus tool set is also available. Pewter, Copper, Aluminum and Black sheets also include a FREE borders tracing sheet and wooden stylus.

Stand Up People, 50/Pkg.

Today, people of all backgrounds celebrate St. Patrick's Day. Some kids dress up in green and look for shamrocks, while others try to catch the elusive St. Patrick's Day leprechaun.

The St. Patrick's Day leprechaun is an Irish fairy. But he is quite different from other fairies, he looks like an old man and stands at around two feet tall. Dressed in green from head-to-toe, he carries a shillelagh, which he uses to scare anyone who tries to steal his gold.

We are going to show you how to create a leprechaun for St. Patrick's Day.

Tricky Words Magnetic Strips

These Tricky Word magnetic strips enable children to build tricky words from magnetic letters with support from colour-coding, which shows the parts of the word that are regular and the parts that are tricky. Here, the colour-coded part represents phonic regularity while the letters in black represent the tricky part of the word. Each strip is double sided with an outline on one side and a template on the other. This pack covers all the tricky word examples from the Letters and Sounds programme, and two blanks for your own use.

Literacy & Language

Bumper Magnetic Letters Smart Buy!

Satisfy all your magnetic letter needs in one great Smart Buy. The complete set covers Phases 2-5 in regular and giant sizes letters. Every classroom needs a set.

N39952 RMB 1574

50 Large Magnetic Letters

These giant magnetic letters are a must for teaching the Letters and Sounds programme, supporting whole class phonics instruction. The letter patterns represented follow the progression of Letters and Sounds and are colour coded to make learning easier and fun. As you introduce each sound week by week, you can keep it on the top of the whiteboard so that words can be created from letters that have previously been taught. Children can see the process of blending by pushing the letters together and the process of segmenting by pulling the letters apart..

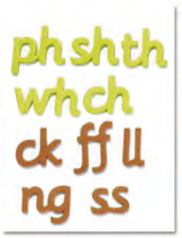

S95928 RMB 577

Pack 1 Letters Cursive

These foam magnetic tiles focus on the relationship between sounds and their spelling. They help students understand the association between the letters and the sounds they represent. The tiles are specifically colour coded to assist students to recognise the most common phoneme groupings. Stage 1 contains 67 foam magnetic tiles in 4 colour groupings: Consonants, Consonants that make to major sounds, vowels and the ‘h’ digraphs

S29134 RMB 192

Pack 2 Letters Cursive

These foam magnetic tiles focus on the relationship between sounds and their spelling.

S85439 RMB 192

Pack 3 Letters Cursive

These foam magnetic tiles focus on the relationship between sounds and their spelling. They help students understand the association between the letters and the sounds they represent. The tiles are specifically colour coded to assist students to recognise the most common phoneme groupings. Stage 3 contains 36 foam magnetic tiles in 5 colour groupings: 3 Letter Blends, Magic ‘e’, Vowel Phonemes, Changeable Vowels and ‘r’ Controlled Vowels.

S11414 RMB 167

Pack 1 Letters Print

Easy to use foam magnetic letters. The letters are joined by strong, white PVC giving an almost invisible connection when used on a whiteboard.

S76508 RMB 167

44 Sound Wall Chart Poster

This giant poster will clearly be seen from anywhere in the classroom! Speech sounds are presented with visual analogies to reinforce the corresponding graphemes (spelling choices). Contains two main sections - and covers all 44 sounds of spoken English.

S90493 RMB 335

44 Sounds Desk Top -Set 6

These individual desktop charts enable children to quickly access the various spelling patterns of the 44 phoneme sounds. A useful tool to have at hand during writing.

N52804 RMB 906

44 Sounds And Spelling Tubs

These Sound Tubs help teach all the different sounds and spellings of the 44 sounds in the English Language. Inside each tub there are a number of visual items to represent the different spellings of that particular sound eg: ‘a_e’ for cake but also ‘eigh’ as in sleigh, helping children see how different spellings can create the same sound.The tubs are perfect to use from foundation stage looking at initial sounds through to KS2 where children may need some additional support with spelling and reinforcement with phonics. In addition to this the visual and tactile aspect of the items in the tubs are a great learning tool for EAL children of all ages, allowing them to match a sound to a physical object developing understanding in context.There is a label on each tub so all items can be replaced into the correct container and a simple storage box, which helps make the whole resource part of the classroom.

Blurt!

Think fast! What word means "a partially dried grape"? Be the first to say "raisin" and you're on your way to winning this riotous game of rapid word recall. Students take turns reading clues aloud, competing to blurt out the correct answer first and move ahead on the board. The first person or team to circle the board wins. Sounds simple, right? But as the race for the right word heats up and the blurting gets boisterous, it's easy to get tongue-tied! Includes junior version for ages 7 to 9. For 3 to 12 players (in teams). Ages 7+/Grades 2+

Letters And Sounds Teacher Manual

Due to popular demand we have adapted the original Letters and Sounds Manual and also added in our phonics progression planner. As experienced teachers will already have worked out, Letters and Sounds covers the requirements from the 2014 Key Stage 1 English Curriculum and countless schools have got in touch with us over the years, detailing how reading levels have gone through the roof! To make Letters and Sounds even better, we've added in our phonics planner as a quick reference at the start of each phase, plus detailed spelling rules that link to the ones found in the New English Curriculum.

Story Makers Chest - Key Stage 1

Open the KS1 Story Maker's Chest and feast your eyes on a unique selection of resources to stimulate creative writing, extend vocabulary and improve grammar. You'll be making creative writers out of all your pupils, whatever their abilities, with support from Pie Corbett.

A unique treasure trove for creative writers at KS1
• Created by Pie Corbett who put together the bestselling and award-winning KS2 Story Maker's Chest
• A unique, multi-sensory and interactive resource that will engage and inspire children of all abilities to move from talking into writing stories
• Support material full of ideas on how to use the Chest
• Many resources offering a different story-making experience every time
• Strong emphasis on speaking, listening and drama - essential skills for creating competent writers
• A wide selection of characters from different genres and backgrounds, some of which will be familiar

S19334 RMB 3013

Story Maker'S Chest - Key Stage 2

'The Story Maker's Chest' is an award-winning, bestselling discovery box for teaching creative writing at KS2 and KS3.

Here's what just a few fans have to say:
"The real treasure trove in this chest lies in the Teacher's Guide - a cornucopia of tried and trusted ideas that work in any classroom." Kevin Harcome, TES Review
"Children get a lot of pleasure out of having something tactile and something tangible to feel, it's a sensory experience for them… it gives you unlimited creativity." Adrienne Jones, Educational Consultant
"There's a lot to offer in the Chest, and particularly the way in which Pie Corbett opens out how the writing process takes place. It really did catch my imagination, and I think if you can capture an adult's imagination, that's going to come across with the children that they're teaching." Helen Wolstonecraft, Primary English Specialist

How does it help you?
• It unlocks the potential within all your pupils - harnessing the power of their imagination, giving it shape in a written form
• It allows for your input - you'll be delighted how varied each session is, as all the activities and resources can be as open-ended as you like
• It is crammed with tactile resources such as prompts, spinners and games that stimulate even the most reluctant child so they engage in the session and enjoy structuring their writing
• It particularly appeals to boys as it brings a visual-kinaesthetic and multi-sensory dimension to writing work
• It leads naturally to speaking and listening activities for the whole class and groups
• It adds a touch of mystery and magic that captures children's imaginations - and keeps them interested!
• It is also an inspirational drama and role-play resource.

COMMOTION · Overseas Stock

Who'S Speaking,Who'S Listening

This set uses 6 hollow tubes and telephone handsets connected to a central hub to promote conversations and collaboration between a group of up to 6 children. When one speaks everyone else can hear what they are saying. Within the set are 6 blindfolds so that in addition to normal conversations children can play exciting games such as: Chinese whispers, describing a mystery object and using a disguised voice to play 'guess who's talking'. All handsets, tubes and blindfolds are colour coded and each tube is 1.5 metres long.

Jolly Phonics Reading Assessment New

Child-friendly assessment that teachers can use with their pupils in a one-to-one situation. A pack of carefully developed materials have been created to provide an easy and quick method of assessing children’s decoding and comprehension knowledge. Suitable for use with children aged 4-6 years old, this can be used as a phonics screening check resource or by individual teacher’s to ensure that no child gets left behind. Split into two sections, the Jolly Phonics Reading Assessment provides:
2 Reading Tests for word reading and sentence reading.
2 Supplementary Tests for letter sound plus tricky words and aural comprehension.
All items are contained in an A4 folder and include the following :
24 page manual – support and guidance for teachers on how to implement the assessments.
Photocopiable pupil record sheets.
Word reading and sentence reading colour sheets.
Letter sounds and tricky word assessment colour sheets.
This Reading Assessment is a fantastic tool to improve standards and ensure that no child gets left behind, and also works well as a phonics screening check resource.
