Bass Metallophone

The Metallophone is an instrument consisting of metal bars being struck by mallets. Each bar is tuned to a specific pitch of a musical scale. Different versions of this instrument have been used in music for hundreds of years, but more recently, the word “metallophone” has sometimes been applied more specifically to a single row of metal bars suspended over a resonator box.

Air Board Giant

A unique balancing board with a hard surface on a soft inflatable base, ideal for exercising motor control and strengthening muscles in the ankles, legs and upper body. The hard surface offers a safe grip for the feet while the inflatable base ensures smooth and gentle movements.
the Gonge Air Board may be adapted to the functional level of the user by adjusting the pressure of the inflated air; increasing the pressure will speed up movements and make the balancing board more challenging.

Air Board Giant is a larger version that also encourages activities where the child sits or lies on the board. When standing on the Air Board, the large diameter (58 cm) makes it easier to control rotation or rocking from side to side.

Leap Frog

Leap Frog gets up to 14 participants planning, working, and moving together. In this team challenge activity, participants attempt to move across a specified area using foam walking beams and landing discs. Every team member must work together to walk across the beam, lay down the next beam, pick up the last beam and repeat the process. Beams may be moved, but the discs must remain in place. The set includes four walking boards and eight gray stepping stones for groups up to 14, or for two groups challenging each other at the same time and longer passages across the area. Beams constructed of durable nylon over dense foam.

Leap Frog is as much a physical task as it is a problem-solving task. Participants usually jump to the physical solutions before thinking through the problem. The combination of planning and skills is the key to Leap Frog. This activity is a small group challenge that fosters teamwork, risk taking, creativity and problem-solving.

Build N’ Balance® Tactile Set

A new Build N’ Balance® 12-piece set including 3 different tactile discs. Each element comes with an easily identifiable tactile structure, with which children soon become familiar, when they use the elements without shoes.

Children are attracted to the bright colours, which encourage them to pay more attention to the various tactile structures.

This new set of elements adds versatility to all the activities children can already engage in with the existing Build N’ Balance® elements. This new set specifically encourages tactile sensory training. The tactile structures are made from nice-to-touch artificial rubber.

Maximum load 100 kg.

Cycletime Puzzle

Cycle Time is an intense challenge that thoroughly tests a group’s ability to solve complex problems and has quickly become a PA customer favorite. Participants examine the provided diagram and are then given the challenge to replicate it using the custom-made, wooden puzzle pieces. At first, the task seems simple. As the group proceeds, participants discover that it requires much more than just assembling the boards to match the diagram. A group will experience a high level of teamwork to achieve success with this initiative problem. This activity is sure to challenge any group and adds programmatic diversity to your adventure repertoire. The Cycle Time Puzzle is “”Life-Size.”” The longest piece of wood is about 4’, and the shortest is about 2.5’.

Project Adventure 52 Card Oick Up Set

52 Pick-Up is PA's favorite mingling activity and gets the whole group moving, talking to one another, sharing in pairs, and attempting mini-group and solo challenges. It is ideal for group sizes 5-100 and is suitable for a broad range of ages and abilities as it can also be used as a problem-solving activity.

Your group's ultimate task is to pick up all of the cards. Each participant is invited to pick up a card and complete the task written on it. Imagine participants in your group simultaneously engaged in completing tasks like "play 15 seconds of pretend badminton", "give everyone in your group a gentle pound – fist to fist," and "have everyone in your group pose for a fake photo".

This activity offers your group the opportunity to practice taking risks such as: interviewing one another, playing charades, attempting a physical challenge, or gaining the attention of the whole group. Included in this set are two different decks of 52 cards with additional "challenge cards" for a problem-solving variation.

Flaghouse Rainbow Match Chute? Set

This cooperative parachute activity teaches colors, numbers, letters, spelling and math!

For students with minimal hand strength, the Superchute Grip on this parachute provides easy grip and helps build hand strength. The foam grip provides a secure handle for all. For students who have trouble holding on to a loop, the foam grip gives tactile sensory advantage as they squeeze to grip.

The bright contrasting colors of the parachute continually keep your students’ attention, while they build hand strength by squeezing the foam grip and arm strength by joining moving the parachute together.

Our Rainbow Match Parachute provides a wide variety of cooperative, team building and integrative game options! And...it’s fun to use! Parachute splits into ten sections with 10” netted targets. Red, green, blue, yellow, and orange alternate in each of 10 sections to create a “rainbow” of colors. Random letters and numbers from 0-9 printed on each hole. Flame-retardant riptop nylon. My Daily Magnetic Calendar

What is today? For a child, that simple question can have so many answers--and this daily calendar helps satisfy them all! Kids will feel a greater sense of control and responsibility when they help post the day of the week, date, weather, and special events on the large magnetic board for all to see. There’s even a space to post their mood--an excellent way to open communication and encourage children to gauge their own emotions. Updating the information is simple: Simply take a preprinted magnet from the lower magnetic board (which hangs below the calendar to keep magnets within easy reach). Then place it on the calendar to fill in the information . . . or make a custom magnet by writing on one of two dry-erase magnet tiles! There are fields for day, date, season, weather, temperature, activities, holiday, and mood.

Ace Spelling Dictionary

The ACE Spelling Dictionary is now even better that it was! With this fully revised new edition, we have made a number of important changes. This includes increasing the page size of the dictionary to allow for an even more accessible design, updating the dictionary entries to include over 3,000 new words and revising the user's notes. It is clear that pupils with spelling difficulties often experience problems with the whole curriculum and lose confidence with writing. The ACE Spelling Dictionary breaks through these problems. Using the unique index, pupils need only think how a word sounds to find out how to spell it. By simply identifying the first vowel sound, the speller is sent instantly to the page where the problem word is found. The easy-to-use reference system will tempt them to use more interesting words in their writing, enabling them to produce work that they can be proud of. Both patterns and irregularities are highlighted in the dictionary so that pupils learn to spell incidentally. The dictionary includes a clear step-by-step guide to effective teaching with the dictionary, over 20,000 words, a comprehensive list of commonly misspelt words and further learning strategies for spelling. WONDEROSITY™ KITS

MAKE A GREATER IMPACT.

Looking for an easy way to make your programming more enriching and effective for every kind of learner? Try Wonderosity Kits, individually themed, bundled program plans that incorporate reading, creative arts, technology, and physical activity while teaching important 21st century skills. The activities in each kit require minimal planning time and can be integrated into your current programming or used independently — whatever works best for your learning environment.

To learn more about how Wonderosity Kits can enhance your learning environment, contact sales@bluefountain.cn.

The Perfect Fit for Your Makerspace!

PRODUCTION STUDIO

Give kids a chance to be in the spotlight while promoting media literacy skills. Participants will learn what it takes to create a professional video, from writing a script to recording and editing.

AVATAR ACADEMY

Foster innovation and creativity as kids imagine themselves as avatars — digital representations of themselves in a virtual world. Participants will design and create costumes and electronic badges, develop an avatar training program, and more.

STORY MAKERS

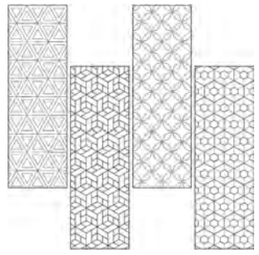

Encourage collaboration and communication skills as kids learn about different types of stories and why they exist. Participants will act out their own myths, go on a cryptid hunt, perform science experiments, and more.

SPY SCHOOL

Boost innovation skills as kids find out what it takes to be a good spy. Participants will learn how to make and use cool gadgets, communicate in secret codes, and more.

Let’S Talk Cubes

Social and emotional learning topics get kids talking and sharing

This set of six colorful conversation cubes features engaging prompts that target topics related to social-emotional learning (SEL). One-on-one or in small groups, kids can take turns rolling the cubes and answering one of the 36 questions and prompts printed on the sides. Three colors split the cubes into categories: orange Ice Breaker questions, blue Social Skills prompts, and green Emotional/Feeling prompts. Made from easy-to-clean soft foam. Ages 5+.

S53555 RMB 250

Emoji Cubes

Help kids think about and communicate their feelings

These famous faces hopped right off the screen and into real life! Two six-sided cubes contain emoji-based expressions that represent a range of emotions, from happy or sad to angry or excited. Two additional cubes contain questions and prompts to help kids understand and talk about their inner lives. These cubes create opportunities for social-emotional learning, language development, and vocabulary lessons. Includes an activity guide. Made from easy-to-clean soft foam. Ages 3+.

S36915 RMB 243

Demco® Upstart® Feelings Finder Cards

Share these social-emotional learning cards with kids to help them identify and communicate their feelings. Each card features an emoji face on the front and a simple description of the emotion shown on the back. Each 8-1/2” x 11” sheet includes 9 double-sided, perforated cards. 25 identical sheets/pkg.

S64724 RMB 185

Demco® Upstart® Conversation Starter Cards

Spark a conversation that builds social-emotional skills

Use these cards to help kids explore and communicate their thoughts and feelings. Cards include a prompt on both sides to encourage self-reflection and conversation. Each 8-1/2” x 11” sheet includes 9 double-sided, perforated cards (18 prompts total), as well as instructions and ideas for use. 25 identical sheets/pkg.

S70369 RMB 185

Demco® Upstart® Healthy Habits Bingo Activity Cards

Habit tracker meets bingo fun! These cards were designed to help you educate kids about healthy behavior and encourage them to develop their own healthy habits from a young age. Each card in the package is identical and was designed to be used as a personal tracker to motivate students. Reward students as they cross off items to get traditional horizontal, vertical, and diagonal bingo wins and encourage them to cross off every item on the card to get a blackout. The package includes 25 identical 8-1/2” x 11” cards plus ideas for integrating them into your classroom or library instruction.

S68438 RMB 185

Demco® Upstart® League Of Extraordinary Women Poster

Extraordinary women are all around us! Use this poster to inspire kids to research the accomplishments of these and other amazing women. This poster features 11 history-making women: Susan B. Anthony, Mae Jemison, Winona LaDuke, Amelia Earhart, Malala Yousafzai, Anne Frank, Frida Kahlo, Maya Lin, Ruth Bader Ginsburg, Megan Rapinoe, and Michelle Obama. 17” x 23”.

S38519 RMB 126

Demco® Upstart® Friends & Feelings Bingo Activity Cards

Habit tracker meets bingo fun! These cards were designed to help you educate kids about healthy social-emotional behaviors and empower them to take control of their own social and emotional development from a young age. Each card in the package is identical and was designed to be used as a personal tracker to motivate students. Reward students as they cross off items to get traditional horizontal, vertical, and diagonal bingo wins and encourage them to cross off every item on the card to get a blackout. The package includes 25 identical 8-1/2” x 11” cards plus ideas for integrating them into your classroom or library instruction.

S61497 RMB 185

Demco® Upstart® Animal Tales Bingo Activity Cards

Reading tracker meets bingo fun! These cards were designed to help you motivate kids to read and learn about the wild world of animals. Each card in the package is identical and was designed to be used as a personal tracker to motivate students. They are not recommended for use as a traditional bingo game, as all students would get bingo at the same time. Reward students as they cross off items to get traditional horizontal, vertical, and diagonal bingo wins and encourage them to cross off every item on the card to get a blackout. The package includes 25 identical 8-1/2” x 11” cards plus ideas for integrating them into your classroom or library instruction.

Terms and Conditions

The following terms and conditions apply to all transactions with Blue Fountain Inc. and all of its subsidiaries and affiliates (“Blue Fountain”).

Please contact our Customer Service team (“Team”), if you have questions about any provisions outlined below:

1. Availability of Products
All products offered in Blue Fountain catalogues or other media are subject to availability of the products at the time of order.

2. Title to Products
Ownership of all products only pass to the customer upon full payment of the appropriate invoice.

3. Prices
Our prices are in RMB and door-to-door prices, including handling, tax, VAT charges and shipping. Handling and shipping are free if the order is over RMB 1,000. Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases of imported products, raw materials, or currency fluctuations. We carefully check pricing, but occasionally errors can occur, therefore we reserve the right to change prices without notice. We are not responsible for customer pricing errors. For the most updated prices, please check our website, bluefountain.cn.

4. Deposit and Payment
Schools operating inside Mainland China will be invoiced in RMB. Unless special credit terms are agreed, full payment of the invoice value must be made for all orders before goods are dispatched.

5. Shipping, Packing and Handling
Within Beijing and Shanghai, shipping is free for standard delivery. Besides the above-mentioned instance, the cost of shipping will be billed as an additional line item in the invoice based on a final determination of shipment weight, volume and method of transport. A rough estimate will be provided at the time of order confirmation as a percentage of the cost of the order, using the best available information.

6. Order Fulfillment and Delivery
The products may be delivered at one time or on several occasions. Blue Fountain may provide the customer with the estimated delivery date before confirmation of their order. However, the estimated delivery date shall have a six-week grace period. If the customer does not receive an expected delivery, they shall notify Blue Fountain within 10 days after the expiry of the grace period. If a product from Blue Fountain’s own catalogues is out of stock or back ordered to the extent that it will cause significant delays in delivery, Blue Fountain will advise the customer of the situation. The customer may have the in-stock portion of the order delivered, and wait for the out-of-stock delivery at a later time; or wait and have it all shipped together. In addition, the customer has the option to replace it with another product, wait until the product comes into stock or, cancel that part of the order and receive full credit within 7 days after receiving the notice from Blue Fountain.

7. Inspection and Return
The customer shall check the product received at the time of delivery in accordance with the “Blue Fountain Delivery Recommendations” and report any problems with the shipper or carrier of the product and the team within five days of receipt. No return of products can be made without prior authorization of Blue Fountain. Refused shipments may be charged freight in both directions.

8. Product Descriptions
Blue Fountain makes every effort to ensure that each product description, photograph and listed price in our catalogues is accurate. Blue Fountain will issue a full credit for the product if:
(i) the product does not match the product pictured or described in our catalogues and is returned within 10 days in its original condition;
(ii) the original product has been substantially substituted before its dispatch and the substituted product is unacceptable to the customer.

9. Labeling on Products
Blue Fountain makes every effort to ensure that all instruction labels and manuals of the products are in English, or that there is an English version attached. Some of the products may be associated with risk depending on user age such as choking and/or other such hazards. At the suppliers discretion there may be caution labels on the package or there may not be. Therefore we strongly suggest the children’s supervisors to consider carefully whether the products ordered are appropriate and safe for their children’s age.

10. Wrongly Ordered Products
If products are genuinely ordered in error, Blue Fountain will work to find a resolution with the customer. If a return of products is agreed, Blue Fountain may levy a charge for repacking and shipping.

11. No Warranty Unless Specified
Unless expressly stated in products or their packing materials, products ordered from Blue Fountain are offered on an “as-is” basis and are not guaranteed against damage due to wear and tear. However, if you find that a product is defective in any material respect, please notify our Team immediately to discuss a resolution. For products that do come with a warranty of manufacturer, please refer to the warranty information provided with that product. For products supplied through our Partner Network, Blue Fountain will make every effort to resolve warranty claims with the original supplier.

12. Cancellations
Order cancellations in whole or in part can only be made prior to confirmation of the order by Blue Fountain. Cancellations made after that time will be subject to forfeiture of the deposit, except for cancellation based on the provisions of Article 6.

13. Event of Default
The occurrence of any of the following shall constitute an “Event of Default”:
(i) the customer fails to perform any other provision of this Terms and Conditions or breaches any provision of this Terms and Conditions (ii) the customer is not able to pay the payment fully; or (iii) in the event of insolvency of the customer. Blue Fountain may, at its sole option, terminate the order, resell the products or cancel the shipment or the products in delivery. The customer shall indemnify Blue Fountain all the direct or indirect damage and losses arising out of the Event of Default.

14. Force Majeure
Blue Fountain shall not be responsible for delays in delivery or performance because of intervention of a Force Majeure, which shall include: strikes, lockouts, riots, war, government regulations, fire, explosion, Acts of God, acts of the overseas supplier, delays in transportation, or inability due to causes beyond Blue Fountain’s reasonable control. In the event of any such delay, the delivery date shall be extended for a period equal to the time lost by reason of the delay.

15. Applicable Law
Terms and Conditions shall be governed by the laws and regulations of the People’s Republic of China.

16. Settlement of Dispute
If any dispute arises out of the interpretation or performance of this Agreement, Blue Fountain and the customer shall first settle such dispute through friendly negotiations. If such dispute fails to be settled through negotiations, such dispute shall be submitted, either by Blue Fountain or by the customer, to the China International Economic and Trade Arbitration Commission for arbitration in Shanghai according to its then applicable arbitration rules. The arbitration award shall be final and binding upon both Blue Fountain and the customer.
