BLUEFOUNTAIN.CN

Blue Fountain catalogue is also including overseas products, which will usually take 2-3 months to source. For easy selection, we have designated the following stock status legends:

In Stock | Limited Stock | Stock in China | Overseas Stock

Prices in this catalogue will normally be held until the 31st of December 2023.
Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases of imported products, raw materials, or currency fluctuations. We carefully check pricing and product specifications, but occasionally errors can occur, therefore we reserve the right to change both without notice.

If you need further information, our sales team is happy to assist you in any way. We will answer any inquiry within two working days.

Evasion Exercise Pinnies Set

Adds an extra element to traditional tag games! Evasion Exercise Pinnies make it even easier and more appropriate to play tag games with large mixed gender groups. Pinnies come with five different colored hook-and-loop fastened flags attached to the backs of them. The object of the game is to keep all of your flags on your pinnie. The different colored flags can have specific activities assigned to them (for example, blue flags = 12 push ups). Participants who get "tagged" leave the playing field and perform the exercise activity. Set comes complete with four nylon vests with hook-and-loop fasteners and 20 flags (four each in Blue, Red, Green, Yellow and Purple). Four-color Set.

Traffic Jam

FlagHouse and Project Adventure have partnered up to create this unique and exciting cooperative challenge activity. Comes with downloadable activity guide and how to play instructions. We're confident that your participants will have a blast with this exciting game! Traffic Jam requires players to find their way across a one-way street! In this life-sized brainteaser, participants on two sides must make their way over a series of foam rectangles using only the unoccupied rectangle that is positioned to start in the middle. There is only one way to accomplish this, so groups must communicate and work together to find the solution. Includes nine foam, 8" x 12" x 1/2"H stepping pads.

N28022 RMB 255

FLAGHOUSE Overseas Stock

Leap Frog

Leap Frog gets up to 14 participants planning, working, and moving together. In this team challenge activity, participants attempt to move across a specified area using foam walking beams and landing discs. Every team member must work together to walk across the beam, lay down the next beam, pick up the last beam and repeat the process. Beams may be moved, but the discs must remain in place. The set includes four walking boards and eight gray stepping stones for groups up to 14, or for two groups challenging each other at the same time and longer passages across the area. Beams constructed of durable nylon over dense foam. Leap Frog is as much a physical task as it is a problem-solving task. Participants usually jump to the physical solutions before thinking through the problem. The combination of planning and skills is the key to Leap Frog. This activity is a small group challenge that fosters teamwork, risk taking, creativity and problem-solving.

River Stones

Stepping stones to better coordination, balance and fun. The River Stones are inspired by stepping stones in a river with each side of the triangle varying in steepness and difficulty. The purpose is to jump from stone to stone without touching the floor - you can vary the position of the stones to create more challenging paths for children. Each stone has a rubber rim on the base which prevent them from slipping, and also protect indoor floor areas. Provides challenging, active, imaginative fun. Builds children's confidence when jumping, judging distances, co-ordinating and balancing. Improved design of the original River Stones. River Stones can now be stacked so that they are practical to store. Incl. suggestions for games. Maximum load 100 kg.

Cycletime Puzzle

Cycle Time is an intense challenge that thoroughly tests a group's ability to solve complex problems and has quickly become a PA customer favorite. Participants examine the provided diagram and are then given the challenge to replicate it using the custom-made, wooden puzzle pieces. At first, the task seems simple. As the group proceeds, participants discover that it requires much more than just assembling the boards to match the diagram. A group will experience a high level of teamwork to achieve success with this initiative problem. This activity is sure to challenge any group and adds programmatic diversity to your adventure repertoire. The Cycle Time Puzzle is ""Life-Size."" The longest piece of wood is about 4', and the shortest is about 2.5'.

Project Adventure 52 Card Oick Up Set

52 Pick-Up is PA's favorite mingling activity and gets the whole group moving, talking to one another, sharing in pairs, and attempting mini-group and solo challenges. It is ideal for group sizes 5-100 and is suitable for a broad range of ages and abilities as it can also be used as a problem-solving activity. Your group's ultimate task is to pick up all of the cards. Each participant is invited to pick up a card and complete the task written on it. Imagine participants in your group simultaneously engaged in completing tasks like "play 15 seconds of pretend badminton", "give everyone in your group a gentle pound – fist to fist," and "have everyone in your group pose for a fake photo". This activity offers your group the opportunity to practice taking risks such as: interviewing one another, playing charades, attempting a physical challenge, or gaining the attention of the whole group. Included in this set are two different decks of 52 cards with additional "challenge cards" for a problem-solving variation.

Rainbow Match Chute? Set

This cooperative parachute activity teaches colors, numbers, letters, spelling and math!
For students with minimal hand strength, the Superchute Grip on this parachute provides easy grip and helps build hand strength. The foam grip provides a secure handle for all. For students who have trouble holding on to a loop, the foam grip gives tactile sensory advantage as they squeeze to grip. The bright contrasting colors of the parachute continually keep your students’ attention, while they build hand strength by squeezing the foam grip and arm strength by joining moving the parachute together.
Our Rainbow Match Parachute provides a wide variety of cooperative, team building and integrative game options! And...it’s fun to use! Parachute splits into ten sections with 10” netted targets. Red, green, blue, yellow, and orange alternate in each of 10 sections to create a “rainbow” of colors. Random letters and numbers from 0-9 printed on each hole. Flame-retardant riptop nylon. Set includes: DINO SKIN ball and 12 softball-sized plastic balls, in assorted colors. SIZE: 12’ Dia. Patented. Flame retardant ripstop nylon.

Parkour Resource Kit

An innovative approach to teaching movement at Key Stage 3 and 4. This resource was written by Paul Dodd and Denise Lee from Shrewsbury School Sports Partnership. Following the appointment of coach Paul Dodd, Shrewsbury SSP used Parkour as an exciting new activity to fulfil the requirements of the National Curriculum. The Partnership won the Davies Sports sponsored, Youth Sport Trust National award 2008 for creating a new activity to engage the needs of young people. As a result this curriculum resource has been produced to support the delivery of Parkour in schools. This resource is endorsed by the Association of Physical Education, YST and Parkour UK. It contains illustrated resource cards and a DVD which give step by step instructions and techniques for legitimate Parkour moves, delivered in a safe and supervised environment.

Kwik Cricket Set - Small

Kwik Cricket is a simplified game of cricket for all boys and girls from the age of 5 upwards. Introduced by the Test and County Cricket Board and the National Cricket Association, Kwik Cricket kits are the result of many years of detailed product development and research in consultation with cricket coaches, education authorities, teachers and children. KwikCricket equipment is made from high quality moulded plastic, light enough for small hands yet extremely tough and durable. The kit is designed as an alternative to traditional equipment, allowing the game to be played safely on any flat surface either indoors or outdoors at any time of the year.

Pack includes 6 Catch-A-Ball cups and balls, one in each Spectrum™ color, plus an activity sheet with interesting game variations.

C79894 RMB 180

Fitness Mad Pro Rebounder Blue

Fitness Med's Rebounder Pro trampette is a commercial grade rebounder which is the ideal tool for zero impact aerobic exercise whether for use in the gym or at home. Rebounding is fantastic exercise but it is essential to have a quality rebounder as most budget rebounders, or mini trampolines, often offer a jarring, noisy and unpleasant bouncing experience. With the Studio Pro rebounder the bounce is smooth and almost silent offering the perfect exercise platform. Rebounding improves circulation, increases the capacity of your heart and lungs, and builds strength and stamina, boosting all round fitness. Regular use will improve muscle tone around the legs, thighs, abdomen, hips and arms and will improve your co-ordination and balance. Rebounders are fun and easy to use and require no special instruction - simply use for jogging, bouncing or dancing. Trampoline weight: 10kg. Diameter: 101.6cm. Maximum user weight - 125kg. Commercial grade rebounder. The rebounder is designed for adult use only. WARNING: This rebounder is designed for adult use only. If children use this rebounder there is a risk that their feet can slip between the springs and potentially result in an injury to the foot, ankle, or leg.

N35636 RMB 1797

Stability Cushion

Stability Cushion is an ideal tool for improving balance and posture; you can kneel on it, or sit on it while exercising to increase the challenge of a workout to help build core strength and tone abdominal muscles. It's also great for using while sitting and working at a desk; as this cushion is essentially 'unstable', by simply sitting on it, it keeps your core muscles working and your postural reflexes stimulated - effectively keeping you exercising while seated. As well as a posture aid, it can be used for a variety of exercises for a full body workout, the unstable surface makes the exercises harder by engaging your core muscles. You can sit, kneel, stand, plank, or perform push-up's with it. Diameter: 350mm. Colour: Grey. Material: Latex free PVC. Includes pump. Can be inflated or deflated to increase or decrease the level of stability. Can be used in pairs under each foot. One side with small anti-slip dots, one side with nodules.

N38321 RMB 388

Atreq Battle Rope Orange

Used in crossfit, commercial gyms, boot camps and circuit training. Easy to set up and easy to use. Made from orange manila sisal polyrope. End caps to ensure a comfortable grip. Length: 10m (8mm thick). Weight 7kg.

Volleyball Skillastics

Skillastics® games can be played competitively or non-competitively with up to 100 children at one time! Students run through drills that fulfill PE standards, all while having fun exercising and playing an exciting game. Players are divided into teams and assigned a color. One person from each team rolls their color-coded die, and moves a beanbag to the corresponding space on the mat. Each space indicates a volleyball drill or activity that involves individual, partner or team participation. Activities cover all the basic skills of volleyball with three progressive levels of repetitions that match children's skill level abilities. Detailed instructions explain how to teach each activity, provide coaching options, and variation of volleyball rules ideal for the school or after-school setting. Additional activities included on back of task cards. Game includes: One 5' x 7' latex-free game mat. Six multicolored 3" dice. Six colored beanbags. Six nylon 20" x 27" mini mats. Detailed instructions. Storage bag.

Terms and Conditions

The following terms and conditions apply to all transactions with Blue Fountain Inc. and all of its subsidiaries and affiliates (“Blue Fountain”).

Please contact our Customer Service team (“Team”), if you have questions about any provisions outlined below:

1. Availability of Products
All products offered in Blue Fountain catalogues or other media are subject to availability of the products at the time of order.

2. Title to Products
Ownership of all products only pass to the customer upon full payment of the appropriate invoice.

3. Prices
Our prices are in RMB, and this is the door-to-door price, including all shipping, handling, tax, VAT charges if the order is over 1000RMB. Prices in this catalogue will normally be held until 31st December 2023, but we reserve the right to alter prices if circumstances force us to. Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases of imported products, raw materials, or currency fluctuations.

4. Deposit and Payment
Schools operating inside Mainland China will be invoiced in RMB. Unless special credit terms are agreed, full payment of the invoice value must be made for all orders before goods are dispatched.

5. Shipping, Packing and Handling
Within Beijing and Shanghai, shipping is free for standard delivery. Besides the above-mentioned instance, the cost of shipping will be billed as an additional line item in the invoice based on a final determination of shipment weight, volume and method of transport. A rough estimate will be provided at the time of order confirmation as a percentage of the cost of the order, using the best available information.

6. Order Fulfillment and Delivery
The products may be delivered at one time or on several occasions. Blue Fountain may provide the customer with the estimated delivery date before confirmation of their order. However, the estimated delivery date shall have a six-week grace period. If the customer does not receive an expected delivery, they shall notify Blue Fountain within 10 days after the expiry of the grace period. If a product from Blue Fountain’s own catalogues is out of stock or back ordered to the extent that it will cause significant delays in delivery, Blue Fountain will advise the customer of the situation. The customer may have the in-stock portion of the order delivered, and wait for the out-of-stock delivery at a later time; or wait and have it all shipped together.
In addition, the customer has the option to replace it with another product, wait until the product comes into stock or, cancel that part of the order and receive full credit within 7 days after receiving the notice from Blue Fountain.

7. Inspection and Return
The customer shall check the product received at the time of delivery in accordance with the “Blue Fountain Delivery Recommendations” and report any problems with the shipper or carrier of the product and the team within five days of receipt. No return of products can be made without prior authorization of Blue Fountain. Refused shipments may be charged freight in both directions.

8. Product Descriptions
Blue Fountain makes every effort to ensure that each product description, photograph and listed price in our catalogues is accurate. Blue Fountain will issue a full credit for the product if:
(i) the product does not match the product pictured or described in our catalogues and is returned within 10 days in its original condition;
(ii) the original product has been substantially substituted before its dispatch and the substituted product is unacceptable to the customer.

9. Labeling on Products
Blue Fountain makes every effort to ensure that all instruction labels and manuals of the products are in English, or that there is an English version attached. Some of the products may be associated with risk depending on user age such as choking and/or other such hazards. At the suppliers discretion there may be caution labels on the package or there may not be. Therefore we strongly suggest the children’s supervisors to consider carefully whether the products ordered are appropriate and safe for their children’s age.

10. Wrongly Ordered Products
If products are genuinely ordered in error, Blue Fountain will work to find a resolution with the customer. If a return of products is agreed, Blue Fountain may levy a charge for repacking and shipping.

11. No Warranty Unless Specified
Unless expressly stated in products or their packing materials, products ordered from Blue Fountain are offered on an “as-is” basis and are not guaranteed against damage due to wear and tear. However, if you find that a product is defective in any material respect, please notify our Team immediately to discuss a resolution. For products that do come with a warranty of manufacturer, please refer to the warranty information provided with that product. For products supplied through our Partner Network, Blue Fountain will make every effort to resolve warranty claims with the original supplier.

12. Cancellations
Order cancellations in whole or in part can only be made prior to confirmation of the order by Blue Fountain. Cancellations made after that time will be subject to forfeiture of the deposit, except for cancellation based on the provisions of Article 6.

13. Event of Default
The occurrence of any of the following shall constitute an “Event of Default”:
(i) the customer fails to perform any other provision of this Terms and Conditions or breaches any provision of this Terms and Conditions (ii) the customer is not able to pay the payment fully; or (iii) in the event of insolvency of the customer. Blue Fountain may, at its sole option, terminate the order, resell the products or cancel the shipment or the products in delivery. The customer shall indemnify Blue Fountain all the direct or indirect damage and losses arising out of the Event of Default.

14. Force Majeure
Blue Fountain shall not be responsible for delays in delivery or performance because of intervention of a Force Majeure, which shall include: strikes, lockouts, riots, war, government regulations, fire, explosion, Acts of God, acts of the overseas supplier, delays in transportation, or inability due to causes beyond Blue Fountain’s reasonable control. In the event of any such delay, the delivery date shall be extended for a period equal to the time lost by reason of the delay.

15. Applicable Law
Terms and Conditions shall be governed by the laws and regulations of the People’s Republic of China.

16. Settlement of Dispute
If any dispute arises out of the interpretation or performance of this Agreement, Blue Fountain and the customer shall first settle such dispute through friendly negotiations. If such dispute fails to be settled through negotiations, such dispute shall be submitted, either by Blue Fountain or by the customer, to the China International Economic and Trade Arbitration Commission for arbitration in Shanghai according to its then applicable arbitration rules. The arbitration award shall be final and binding upon both Blue Fountain and the customer.
